The Stanford University Center for Immersive and Simulation-based Learning MOCA® Course offers hands-on practice of current techniques, diagnosis and treatment of difficult anesthesia cases and Crisis Resource Management (CRM).

As an ASA-endorsed program, our course can be used to fulfill part of the requirements of the Maintenance of Certification in the Anesthesiology Program (MOCA®) Part IV of The American Board of Anesthesiology (ABA). Please consult the ABA website for more information: www.theaba.org/MOCA/About-MOCA-2-0

Learning Objectives
At the conclusion of this course, participants will be able to:

- Develop strategies to apply technical skills to appropriately diagnose and treat anesthesia emergencies.
- Develop strategies to apply crisis resource management skills during clinical crisis situations.
- Develop strategies to apply reflective and self-assessment skills to review and analyze clinical performance.

Course Instructors*

David M. Gaba, MD
Associate Dean for Immersive and Simulation-based Learning
Professor, Anesthesia
Course Director

Steven Howard, MD
Professor, Anesthesia
Course Co-Director

Naola Austin, MD
Clinical Assistant Professor
Anesthesia

Ruth Fanning, MD
Clinical Associate Professor
Anesthesia

Anita Konkanen, MD
Clinical Professor
Anesthesia

Sara Goldhaber-Fiebert, MD
Clinical Associate Professor
Anesthesia

T. Kyle Harrison, MD
Clinical Associate Professor
Anesthesia

Calvin Kuan, MD
Clinical Associate Professor
Anesthesia

*All faculty are affiliated with Stanford University School of Medicine.
Faculty Disclosure
The Stanford University School of Medicine adheres to ACCME Criteria, Standards and Policies regarding industry support of continuing medical education. Disclosure of faculty and commercial relationships will be made prior to the activity.

Commercial Support Acknowledgement
This CME activity received no commercial support.

Statement of Need
The American Board of Anesthesiology now requires ABA diplomates to accrue a certain number of points over 5-year and 10-year periods from activities qualifying for Part IV of MOCA credit in order to maintain certification. This course is designed to meet this requirement for anesthesia delivery providers and is delivered by leaders in anesthesia and the field of simulation-based training. The course offers hands-on practice related to current techniques, diagnosis and treatment of difficult anesthesia cases, as well as teamwork in crisis situations through Crisis Resource Management (CRM) training.

Target Audience
The course is designed for local, national, and international physicians who practice in the field of anesthesiology.

Accreditation & Credit Designation
The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Stanford University School of Medicine designates this live activity for a maximum of 8.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements as long as the course is certified for AMA PRA Category 1 Credits™ (rn.ca.gov). Nurses will receive a Certificate of Participation following this activity that may be used for license renewal.

Special Needs
Stanford University School of Medicine is committed to ensuring that its programs, services, goods and facilities are accessible to individuals with disabilities as specified under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Amendments Act of 2008. If you have needs that require special accommodations, including dietary concerns, please contact the Education Program Manager.

Course Location
Li Ka Shing Center for Learning and Knowledge
Immersive Learning Center, Ground Floor
291 Campus Drive, Stanford, CA 94305

7:30am Breakfast
7:45am Introduction and Welcome
• Participant Sign-in
• Introduction of Faculty
• Orientation to Facility / Space
• Consent and Confidentiality Forms
• Disclosures as Applicable
7:55am Educational Objectives
• Review Program Learning Objectives
8:05am Orientation to Course
• Familiarization to Course - CRM Key Points & Ground Rules
• Discussion of CRM Key Points
8:35am Trigger Video
9:20am Break
9:35am Familiarization with Simulator and Environment
9:55am Simulation & Debriefing #1
11:10am Simulation & Debriefing #2
12:25pm Lunch
1:00pm Simulation & Debriefing #3
2:15pm Simulation & Debriefing #4
3:30pm Simulation & Debriefing #5
4:45pm Wrap-up and Q&A

*Program agenda subject to change with each course.

Course Dates, Registration and Contact Information
For 2018-2019 course dates and to register for a course, visit: cisl.stanford.edu/attend-a-course/moca-course.html
For questions, please contact:
Isabel Costa, CISL Education Programs Manager
e: icosta@stanford.edu
p: 650.498.4081

Course Fee
$2,000* per person (fee includes tuition, continental breakfast, lunch, CME credit, parking permit & educational materials).
*$1,800 for Alumni of the Stanford Anesthesiology Residency or Fellowship and current Stanford Anesthesiology Faculty.

Cancellation and Refund Policies
CISL reserves the right to cancel any unfilled courses. In the event that this occurs, enrolled participants will be notified two weeks prior to the scheduled course date. Participants have the option of either receiving a full refund, or transferring their enrollment to the next available course date.

All cancellations and schedule change requests received by email made two months prior to course date will receive a full refund. A 15% processing fee will be charged for cancellations made in less than two months prior to the course date. Cancellations made within 30 days of the scheduled course date will not be refunded. Please send cancellation and schedule change requests by email to: icosta@stanford.edu.
