

Simulation Instructor Course

Presented by the Center for Immersive and Simulation-based Learning
Sponsored by Stanford University School of Medicine

DAY 1*

07:30	Breakfast
08:00	Welcome Course Introduction Goals and Objectives
08:45	Simulation Suite Familiarization
09:15	Crisis Resource Management: Introduction to Debriefing
10:15	Break
10:30	Group Simulation Exercise
11:30	Debriefing: Basics & Structure, Phases and Facilitation Techniques
12:30	Lunch
13:00	Debriefing Exercise
13:45	Debriefing: Methods & Practice
14:30	Break
14:45	Curriculum Overview: Needs Assessment and Learning Objectives
15:30	Group Scenario Development Work; Debriefing Exercise
16:15	Q & A Wrap-up

DAY 2*

07:30	Breakfast
08:00	Welcome Back Q & A
08:30	Standardized Patient Overview
09:15	Group Scenario Development Workshop
10:45	Break
11:00	Debriefing Practice
11:45	Lunch
12:15	Group Scenario Prep
13:15	Group Scenario Run & Debriefing #1
14:30	Break
14:45	Group Scenario Run & Debriefing #2
16:00	Q & A Wrap-up Course Evaluations

*Opportunities for Q&A will be provided at the conclusion of each presentation. Program subject to change.
